To Whom It May Concern:

I filed my Annual Report with the State of Florida on January 11, 2006 and sent the required amount as per the instructions from my attorney. At the same time I filed the required reports for my two LLCs and the required amount for those entities. About 3 to 4 weeks later I got the check back from a company called Corporate Minute Services and a note saying that I should make the check payable to them and return the form within 10 days. I called Corporate Minute Services and talked with a woman to inquire if they were a division of state government and was assured that they were.

Recently, I got a notice from the State Division of Corporations that my Corporation was going to be dissolved due to the lack of an Annual Report. I contacted my attorney and was informed that this group was a sham. My question is how did they get my check when I mailed it to the Division of Corporations in the first place, along with the filings for my two LLC's?

I will take this obvious fraud with the Attorney Generals Office, but I thought it important to notify you of the situation. In addition, I have included another Annual Report form and the filing fee of \$ 150.00. I am not sure if I owe a penalty or not since this is my first filing. It is my hope that you will reactivate my Corporation and advise me of any penalty that may be due. I can be reached at 904-613-2113 Cell Phone or 904-289-7327 Residence.

Thank You
