re: A J's Promotions, Inc., #W05000013408

Dear Ms. Lewis:

Enclosed please find original and one (1) copy of the Articles of Incorporation for the above referenced which were submitted previously and subsequently rejected. Although an online search was conducted prior to our original submission, and also in accordance with a conversation I had with a representative of your department for added insurance that our original name selection would work; said search and conversation revealed that there was another entity with the name of A J Promotions, LLC, and it was felt by all parties that in spite of the slight differences in the entity names our name selection would work just fine. Apparently it did not, and thus, at this time, I am asking that the Division of Corporations accept said enclosed documents for filing purposes with corrections made as appropriate and indicated therein, and also as recommended by another representative of your department.

Furthermore, enclosed with this letter and documents is a copy of your letter of rejection on the original name selection pursuant to the content therein. And in closing, thank you in advance for your kind assistance; in the event of questions or need for further information please do not hesitate to contact me.

Sincerely,

Daniel J. Wade, President
