RE: P05000102838 – CLEANING ENTERPRISE CORP

Due to the lack of the English language and Florida's corporation compliance process, our client has retained our services. We at Valderrama Partners, LLC are the newly assigned register agent for above corporation.

Our client filed their annual report late. However, the previous registered agent never notified them regarding such report or notice, during such time they relocate to a different area of Florida and were not aware of their corporation status.

Since they have tried to reinstate their corporation by themselves several months ago and it was denied. This time in their behalf, have indicated that they did not received notification of the annual report and to waive the reinstatement fee.

Again, the reinstatement was denied. We hope by this letter in explaining the circumstances you may reconsider the reinstatement by waiving the late fees. In addition, the letter states that their payment have been returned with the document, in fact, the payment was not included with the document and according to our client it has been cashed and process by the Secretary of State.

We thank you in advance if you decided to reinstate the corporation.

Sincerely,

Carlos Valderrama
