Re: Gabyale Corporation
Document # P05000115270

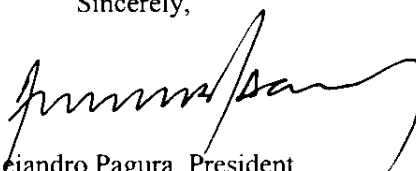

Dear Sir/Madam:

I am the owner of Gabyale Corporation. I recently went to apply for a commercial bank loan thru my company, and was informed that my company was not active in the State of Florida. I quickly called my accountant because I thought there must have been a mistake. He informed me that my 2006 and 2007 UBR report had not been filed with the State of Florida. I have never received any documentation from the State in reference to these reports, nor have I received anything in reference to my company being dissolved. I am very cautious when it comes to these matters, and I am sure I would have paid the annual fee if I would have received the letter from the State. If you check my tax filing history, I am always on time, and current with these matters.

Enclosed please find my 2007 Profit Corporation Reinstatement Form that I downloaded from your website. Along with the Report I am enclosing a check for the years 2006 and 2007 in the amount of \$300.00 for the filing fee. I respectfully request that the \$600.00 penalty be waved due to the above referenced reason. I am a small business, and a penalty of this magnitude will cause us undue hardship.

I would appreciate your help and understanding as to the reasons for my late filing, as it is the first time I have been late with any filings. I would appreciate any help you can give me in waving the late filing penalty in this matter.

Sincerely,

Alejandro Pagura, President
Gabyale Corporation
