Re: Annual Report

I would like to inform you that I was unable to make payment or process the annual report online on April 30th 2007. For some reason the Division of Corporation web site was not letting me input all the information like I usually do. I try the same process in three different computers, with no result. For such reason I'm forced to file the document via mail, late. If you check you will see that I filed the annual report on the internet last year, but this year I was unable.

Could you waive the late fee.

Thank you for your assistance

Yours truly,

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

you for applying for an EIN. We assigned you EIN 20-3502407. This EIN will
identify your business account, tax returns, and documents, even if you have no
employees. Please keep this notice in your permanent records.

Filing tax documents, please use the label IRS provided. If that isn't possible
should use your EIN and complete name and address shown above on all federal tax
payments and related correspondence. If this information isn't correct, please
correct it using the tear off stub from this notice. Return it to us so we can correct
your account. If you use any variation of your name or EIN, doing so could cause a
delay in processing and may result in incorrect information in your account. Doing so
may result in our assigning you more than one EIN.

On the information from you or your representative, you must file the following
by the date shown next to it.

Form 941	01/31/2006
Form 1120	03/15/2006
Form 940	01/31/2006

If you have questions about the form(s) or the due date(s) shown, you can call us
1-800-829-4933 or write to us at the address at the top of the first page of this
notice. If you need help in determining what your tax year is, you can get Publication
Accounting Periods and Methods, at your local IRS office or from our web site at
irs.gov.

We assigned you a tax classification (S-Corporation, Partnership, etc.) based on
information obtained from you or your representative. It is not a legal determination
of your tax classification, and is not binding on the IRS. If you want a determination
of your tax classification, you may seek a private letter ruling from the IRS under
the procedures set forth in Revenue Procedure 98-01, 1998-1 I.R.B.7 (or superceding
procedure for the year at issue.)
