The Computer Center

28 July 2006

Division of Corporations

Dear Ms Eula,

I do not remember getting the first post card for renewing the corporation.

I did get the second notice and did respond. But I was looking for a form to be completed and mailed back along with the payment.

For thirty years I was an Air Conditioning Contractor. At my age and health, construction is a thing of the past. Computers were a hobby and now I'm repairing computers. Fixing things comes easy to me

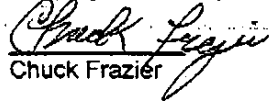

The internet I have never liked. You could say I hate the internet more than any thing else in the world.... You see, I have a very difficult reading disability, and spelling goes hand and hand reading. With out Spell Checker, this letter would be hard to read.

The internet is reading and writing and every person who designs an internet page is full of him self. They are to smart (stupid) to understand how little the user understands about the page (HMTL). It's like "What color am I thinking of?".

Ms Eula, Adding a flag to the Corporation Business program is easy. Mail = True, send latter. Mail = False, send post card.

This computer business is not doing well. Why is the late fee so high? \$400.00 is a lot money.

Sorry I got so wordy.....Thank you very much,

Chuck Frazier
