The Article of Incorporation for my company "Guardian Principal Security, Inc." was filed on September 22nd 2005; my name as it appears on file is "Anton" Kalaydjian, which is my common name. In order to open a corporate account at my local bank they need my name to read "Antranik" Kalaydjian, which is my legal name. Please update this information for my corporation? My Document Number is P05000130740.
