To whom it may concern:

Towards the end of April I tried to submit my application on line several times. However, it wouldn't let me in the website. The site just sat there, after trying several times I was frozen from the site. I tried other sites on the internet to see if it was my computer but I could get on the other internet sites. I am not sure what was wrong with your site or possibly what I was doing wrong.

Do to the problems that I was having am I responsible for the late fee? I have enclosed a check for \$150.00 for the report. Please let me know should you not accept my check and not approve the Annual Report.

Thank you for your time and consideration to this request.

Have a great day!

Sincerely,

Joy L. Parker
