To Whom It May Concern:

I am the owner of the company Jolly Green Planet in Orlando, Florida. The reason for my letter is in regards to the late fee in the amount of \$400 that was recently charged us, when the Annual Report was filed.

I returned from a business trip and discovered that when my assistant filed the annual report online, she had inadvertently forgotten to check off the box that states that ***we never received the blue card in the mail.*** The only card we ever received is the one I am looking at right now, which reads that we must file prior to September 3<sup>rd</sup>, 2008, which we did!

I ask that reimburse the \$400 error as soon as possible, as I require these funds to conduct my business. When I returned from my trip and realized the mistake, I called to attempt to correct this matter and was told that I would need to write a letter. Please let me know if there is anything further I need to do at this point.

I apologize for the mistake on our part, and for any confusion this may have caused you.

Sincerely,

  
Vicki Gibson  
Owner/President
