

# P05000/58651

To: Division of Corporations  
From: Phillip Geml

10/25/08

Attention: Thelma

As per our conversation earlier today, please remove myself as an officer-director from the company L.R.G. builders corp.

The document filed with the state, document number P0500158651 was filed without any prior knowledge or consent. As one can see my signature is not on this document. I did not have any knowledge of this until it was brought to my attention recently.

If you could please place a copy of this letter in the company file the division of corporations keeps on this company for any future issues. Your attention to this matter is greatly appreciated.

Thank you  
Phillip Geml
