To whom it may concern,

We are still in our first year of our corporation which opened in December 2006. We paid our corp. fee for 2005 and did not realize that we had to immediately pay for 2006. Moreover, until the notice of failure to pay, we had not received any mailings regarding the corporate filing fee in the State of Florida. Therefore, we are respectfully requesting that the State of Florida waive any penalty as we did not have notice. We ensure that in the future all payments will be made in a timely manner.

Thank you for understanding.
