Dear Postal Customer:

You recently mailed a letter that we were unable to deliver or return. When this occurs, the letter is sent to a Mail Recovery Center where employees are authorized to open the mail to determine if address information is available to return it to the rightful owner.

In support of this effort, the Postal Service has recently installed imaging equipment to expedite the return of undeliverable checks that arrive at one of our facilities. An electronic image of the check contained in your mail piece is shown below. Please be assured that to protect your personal information, the scanned document is not retained and the original document has been shredded. Since we realize the importance of each piece of mail that is entrusted to our care, this correspondence is being provided for your records.

Our employees work very hard to provide prompt, accurate service; and we regret that we were unable to deliver your mail piece on this occasion. One way to help reduce instances when a mail piece cannot be delivered is to always include a return address. In that way, if for any reason your letter cannot be delivered, we will be able to immediately return it to you. We appreciate your business and look forward to serving your future postal needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Lionel A. Snow".
