To Whom It May Concern,

I am writing this letter to ask how
I can terminate my Incorporation.

In 2006 I worked as a Licensed
Massage for Hippocrates Health Institute
part-time on Tuesdays + Thursdays from
6PM to 9PM and on Mondays from 3PM to 9PM.
Hippocrates required that all employees
in the Wellness Center incorporate in
order to receive a paycheck. I assumed
it had something to do with liability
issues and employee benefit issues,
such as Workman's Compensation.

For example, I was injured on the
job, had \$300 worth of medical bills & lost
two weeks of work and was compensated
Nothing, probably because I was
"incorporated".

Hippocrates Health Institute terminated me after about 8 months. They have a very high turnover there. I did not earn substantial money. They paid \$21 a massage, when I was booked, because they offer "Complimentary" massage to their guests. This is far below the going rate, but I was told in the beginning that I would have a few of these along with the regular Massage Therapy treatments. They were all "Complimentary". Further, it was impossible to keep track of what was paid by them and what was not. The pay check was never what it was supposed to be.

Please let me know how I can resolve this Garce of an "incorporation".
Thank you very much.

Sincerely,
Sharon Wallenberg,
"Licensed Massage Therapist, Inc."
