To Whom It May Concern:

I have made a severe error in filing my annual report. We received the notice for our church and after doing the report for the church I realized I have not gotten a postcard for my corporation. Lance A. Braswell, Inc., Document #P06000058664. While filing mine, I misread the warning about not receiving your notice and thought I was supposed to leave the box unchecked. I did not notice the amount due until I had already submitted my payment and printed off my receipt for \$550.00. My confirmation number is 500132319695.

When I called into the office, they said there was nothing they could do once the charge had went through and to write this department to see if there was anything you all could help me with. I would sincerely and greatly appreciate your help in resolving this issue. If there is any possible way to have that 400.00 refunded, I would greatly appreciate it. Business is a struggle with the current state of our economy and \$400.00 would go along way to help us get through this time. I realize it was my mistake and being in a hurry that cost me, but I hope you can understand my situation.

Your consideration is greatly appreciated and I look forward to hearing from you.

Sincerely,

Lance A. Braswell
