---

(b) Purchase the corporate assets of any other corporation and engage in the same character of business.

(c) Acquire, enjoy, utilize and dispose of patents, copyrights and trademarks and any licenses or other rights or interests thereunder or therein.

(f) Purchase, hold, sell and transfer shares of its own capital stock from the surplus of its assets over its liabilities, including capital. Shares of its own capital stock, owned by this corporation, shall not be voted directly or indirectly or counted as outstanding for the purpose of any shareholders' quorum or vote.

(g) Contract debts and borrow money, issue and sell or pledge bonds, debentures, notes and other evidences of indebtedness, and execute such mortgages, transfers of

corporate property or other instruments, to secure the payment of corporate indebtedness as required.

(h) Make gifts for educational, scientific or charitable purposes.

(i) Indemnify any person made a party, or threatened to be made a party, to any threatened, pending or completed action, suit or proceeding against liability for their good faith acts and omissions to the extent provided by law.

(j) Purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of subsection (i) of hereof.

(k) Enter into general partnership, limited partnerships (whether the corporation be a limited or general partner), joint ventures, syndicates, pools, associations and other arrangements for carrying on one or more of the purposes set forth in this certificate of incorporation, jointly or in common with others, so long as the participating corporation, person or association would have power to do so alone.

---

The foregoing clauses are both purposes and powers, and the foregoing enumeration of specific powers does not limit or restrict in any manner the powers of the corporation.

#### ARTICLE III. CAPITAL STOCK

The maximum number of shares of stock that this corporation is authorized to have outstanding at any one time is 100 shares of common stock, without a pre-determined par value per share. The consideration to be paid for each share shall be as fixed by the Board of Directors and may take the form of services rendered, cash, property or any other form with a value, in the judgment of the directors, equivalent to or greater than the full value of the shares.
