Articles of Incorporation of

(3)

LEVER POWER CORPORATION

I, the undersigned, hereby organize for the purpose of becoming a corporation under the laws of the State of Florida, by and under the provisions of the statutes of the said State of Florida, providing for the formation, rights, privileges, immunities and liabilities of corporations for profit.

Article I: Name and Principles Office:

The name of the Corporation shall be:

LEVER POWER CORPORATION

The principle place of business and mailing address of the corporation is:

**7133 BAYDRIVE EAST # 201
MIAMI BEACH, FL 33141**

Article II: Duration

This corporation shall exist perpetually, commencing on the date of execution and acknowledgement of these articles.

Article III: Purpose

The mission of the Lever Power Corporation is to empower or apply in novel ways physical laws (i.e. the laws of physics) to obtain increased efficiencies in the output of innovative devices or machines.

These devices will be added to or be integral to existing internal combustion engines powering cars, trucks, buses, trains and ships.

It is also envisaged that a variant of these novel and patented machines will be used for the generation of electric power either on a power plant scale or at a scale suitable to meet the demands of a single household.

All these devices or machines will usher in a new era of pollution free and independent energy, free from the addiction to fossil fuels.

The income resulting from these innovations (i.e. patents) will result from royalties, fees and licensing. The corporation will also be empowered to do direct or through third party marketing.

Article IV: Capital Stock

The number of shares which the corporation has authorized to be outstanding at any one time is 5,000,000, with \$0.10 par value common stock.
