Dear Sir,

further to our conversation today,
I received a notice earlier this
year. I am not American and it's
my first time I've ever had a
corporation. I don't quite under-
stand how it all works yet, and
my corporation will not be up and
running until later on this year.

I called earlier on ^{this year} after I received
the 1st notice, and explained every-
thing above. The person I spoke
to apparently wrongly informed me and
told me to dismiss the notice which I did.
Because my corporation is not up
and running yet I was told not to do anything

I have now been charged a late fee
