Subject: Penalty AP0600009349nnual Report Filing Document

I attempted to pay online last night May 1, 2009 but the Sunbiz system kept kicking me out. I tried numerous times and it kept saying try again later.

I had no choice but to try again today and it finally accepted me credit card payment but charged me a penalty and I had to pay \$ 550.

See copy of the notice I printed yesterday when the system was not functioning properly.

I believe I should not be charged a penalty under these circumstances. Please advise, thank you.
