We apologize for the delay in our response.

Our servers started experiencing overloads a few days before and after the May 1st deadline. Reports were going through but people were timing out a number of times before getting through.

The report can still be downloaded and mailed in with the regular filing fee. Please do so as soon as possible though. If you did not receive prior notice to file you can still file online but when the report loads you'll need to check off the late fee waiver that is located next to the bold red paragraph.

If you are still having problems accessing the report please reply back to this message.

Subject: Annual report filing

Yesterday my husband and I had four reports to file. We filed the first three with no problem. They are document numbers L06000090400 , L06000090399 and N99000003233. When I went to file the last document P06000118679 your web site continually said try again. From three o'clock until ten o'clock. I tried repeatedly to file this document but your web site would not let me. This morning I got on to file and I had no problem however you now want to assess us a late fee. Your web site not only blocked me from filing on-line but would not let me download a form either. Since I could not download a form, I could not mail this report by May 1st. I do not feel we should have been assessed a fee when this web site was unavailable and no one was taking phone calls. I am still unable to talk to an agent and I have tried calling many times. Please call me or e-mail me at the following numbers: 954-752-0710 , 954-263-0710 or e-mail : Kemanso@aol.com.

Sincerely.
Karen Manso
