(c) **Cumulative Voting** At all meetings of the elections of the Directors, each Stockholder shall be entitled to as many votes as shall equal the number of votes which he would have been entitled to cast for the election of Directors with respect to his shares of stock multiplied by the number of Directors to be elected, and that he may cast all such votes for a single Director or may distribute them among the number to be voted for, or for any two or more of them as he may see fit.

(d) **Consent of Stockholders in Lieu of Meeting** Whenever the vote of stockholders is required at a meeting or is permitted to be taken for in connection with any corporate action by any provision of the General Corporation Law of Florida the meeting and vote of Stockholders may be dispensed with if such action is taken with the written consent of the holders of not less than a majority of all the stock having less than the minimum percentage of the vote required by statute for such action, and provided that prompt notice is given to all Stockholders of the taking of the corporate action without a meeting and by less than unanimous written consent.

Such pre-emptive right shall apply to all shares issues after such first 400 shares, whether such additional shares constitute a part of the shares presently or subsequently authorized or constitute shares held in the treasury of the Corporation, and shall be exercised in the respective ration with the number of shares held by each Stockholder at the time of such issue bears to the total number of shares outstanding in the names of all the Stockholders at such time.

**(1)** in connection with a proceeding by or in the right of the corporation in which the Director is adjudged liable to the Corporation; or

**(1)** the Director furnishes the Corporation a written affirmation of his good faith belief that they met the standard of conduct prescribed in this section,
