Regarding: Statement of Fact Amendment for Document# P06000139320

To whom it may concern:

Please accept this letter as a Statement of Fact with regards to a fraudulent Registered Agent name change for my company, G&T Engine Parts, Inc. We did not change our Registered Agent and the company was not sold.

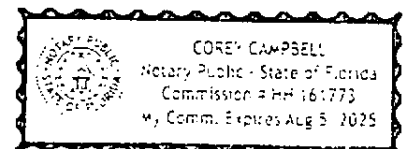

On February 12, 2024, a fraudulent Amended Annual Report was filed by someone claiming to be Gregory Elijah Veal of Miami, Florida. Apparently, Mr. Veal misrepresented himself as G&T's new registered agent replacing Steven E Goddard as Registered Agent and CEO, claiming to be its new owner. Furthermore, this fraudulent activity was parlayed into Mr. Veal opening a bank account with Space Coast Federal Credit Union. He deposited a fraudulent check for \$88,113.10, which bounced. The same person claiming to be Gregory Veal may have filed other fraudulent corporate documents for at least one other Florida Corporation. Today, we reported this crime to the Margate Police department and Case # 372407025456 was issued.

We request that the fraudulent annual report amendment be reversed, and amendment removed from the official corporate records of G&T Engine Parts, Inc.

Sincerely,

Steven E. Goddard
Secretary, Treasurer & CEO
