We apologize for the delay in our response.

Our servers started experiencing overloads a few days before and after the May 1<sup>st</sup> deadline. Reports were going through but people were timing out a number of times before getting through.

The report can still be downloaded and mailed in with the regular filing fee. Please do so as soon as possible though. If you did not receive prior notice to file you can still file online but when the report loads you'll need to check off the late fee waiver (if applicable LLC's and Non-Profits are not subject to a late fee) that is located next to the bold red paragraph.

If you are still having problems accessing the report please reply back to this message.

Thanks,

Lee Yarbrough

**Subject:** Annual Report/Sunbiz.org problematic website

There is something wrong with your computer system. It is 10:45pm and I have been trying to submit my annual report for approx. 12 hours. A couple of times, I was able to get to the 2nd page. Once I made it to the 3rd page but received another error message. I have tried no less than 50 times. Probably more.

My document # is P06000147403. My FEI 20-5971924.

I do not feel I should be subject to the penalty since there is obviously something wrong with the website.

Please notify me and advise me what I should do.

Thank you.
