We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refile the complete document, including the electronic filing cover sheet.

Florida law requires the street address of the principal office and, if different the mailing address of the entity. A post office box is not acceptable for the principal office.

The document must state the number of shares of authorized stock.

You have indicated in your document the ownership and percentages of the authorized shares. Please note this information is not required nor is it maintained by the Department of State. While we cannot require such, it is recommended that it be removed from the document. The only information needed for this filing is the number of authorized shares.

If you have any further questions concerning your document, please call (850) 245-6931.
