To whom it may concern:

During the night of Sunday May 7th our secure locked mailbox was broken into and our mail was stolen. Case # 23-19445 with the Polk County Sheriff Office. The report explains the person Thomas Muir IV is fictitious upon investigation.

On Monday May 8th we received an email regarding a change to our Sunbiz, upon further investigation we discover on Monday May 8th and Tuesday May 9th someone by the name Thomas Muir IV amended our annual report for a different EIN number, president name and address.

These changes were made without the consent of the current agent (Mary Matias) and current president (Kevin Matias). This is a false amendment. We have currently owned this company and have been registered with it since 2007.

Thank you,

Kevin Matias
