SECRETARY OF STATE  
TALLAHASSEE, FLORIDA

From: Randolph W. Climer

Subject: Document Number P07000054201 dated 5/4/2007  
and the Amendment dated 7/5/2007.

400108597534

To whomever this may concern,

It has been brought to my attention that my name appears on the Document Number P07000054201 dated 5/4/2007, specifically the Amendment dated 7/5/2007, in the files of the Florida Department of State Divisions of Corporations.

This document wrongfully, incorrectly, and against my will states that: Randolph W. Climer is an officer (Secretary) of the for profit corporation Mealz on Wheelz, Inc.

I had made it quite clear to Mike Dillon (President) and Starlene McClure (Vice President) of the for profit corporation Mealz on Wheelz, Inc., that I wanted no such partnering or officer association with their company.

I, Randolph W. Climer, have never agreed to enter into any association with Mealz On Wheelz, Inc.

I, Randolph W. Climer, have never signed any documentation to enter into any type of association with Mealz On Wheelz, Inc.

If a signature does appear on any such documentation, it is a forgery.

Nor have I, Randolph W. Climer, ever received compensation of any type from Mealz On Wheelz, Inc.

I, Randolph W. Climer, never authorized Mike Dillon or Starlene McClure to document and record me as an officer of Mealz On Wheelz, Inc. with the Florida Department of State Divisions of Corporations.

Nor do I reside at 661 BEVILLE RD STE 105 S DAYTONA FL 32119.

Sincerely,

Randolph W. Climer
