RE:

EAC Renovations Inc

This letter is a statement of facts regarding EAC Renovation Inc. We recently found out from Del Computer Company that people were opening credit under our company name. They reinstated our company and then proceeded to change the address and names of the business. They changed the names from my name, Erick Cortes, to Adell Wilson and COO is listed as Brandon Joseph Thorpe. They changed the address from our company address listed above to Grand Bay Plaza Bayshore Dr. Coconut Grove, Fl. They also changed the registered agent from me to Incorp Services.

I did not authorize any of these changes nor do we know who these people are. We have called Incorp Services to make them aware and we have called law enforcement to file a report. We are in the middle of having the Better Business Bureau let us know how to close any credit accounts they have opened.

I have amended the annual report as directed by the Sunbiz representative and now need your support to make sure they do not change the information again.

If you need to contact me, I can be reached at 954-650-8111.

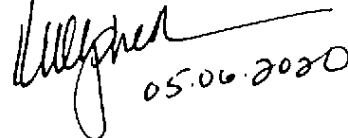

Thank you in advance for your help.
