Re: Document Number P07000069999 (Construction and Home Improvement Building America, Inc.

To whom it may concern,

I, J. Leslie Wiesen, would like to resign as Director of Construction and Home Improvement Building America, Inc. dating back to 4/21/2008. The Division of Corporations has a filed Articles of Amendment to Articles of Corporation for Construction and Home Improvement Building America, Inc. on 4/21/2008 in which my forged signature appears illegally. I never signed the Amendment.

I have had nothing to do with this corporation.

Thank you for your help in this matter.

Sincerely,

J. Leslie Wiesen
