Subject: Federal Identification Number change

We are the accounting firm for Sy's Supplies Management Group Inc., document #P07000088439. The taxpayer noticed on their copy of the 2010 Corporate Annual Report their Federal Identification Number is incorrect. IRS had inadvertently assigned two numbers for the corporation. The correct number that is being used for all filings with IRS is #14-2005282. Is this something that can be changed thru this email or is there a form that needs to be filed to request the change. Your assistance is greatly appreciated. Thank you,
