a matter of right any preemptive or preferential right to subscribe for, purchase, receive, or otherwise acquire any part of any new or additional issue of stock of any class, whether now or hereafter authorized, or of any bonds, debentures, notes, or other securities of the Corporation, whether or not convertible into shares of stock of the Corporation.

Section 3.2. Preferred Stock. The aggregate number of shares of preferred stock (referred to herein as "Preferred Stock") that the Corporation shall have authority to issue is 5,000,000 with no par value.

(a) Board Authorized to Fix Terms. The Board of Directors is authorized, subject to limitations prescribed by law, by resolution or resolutions to provide for the issuance of shares of preferred stock in one or more series, and, by filing a certificate when required by the FBCA, to establish from time to time the number of shares to be included in each such series and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof. The authority of the Board of Directors with respect to each series shall include, but not be limited to, determination of the following:

(i) the number of shares constituting that series, including the authority to increase or decrease such number, and the distinctive designation of that series;

(ii) the dividend rate on the shares of that series, whether dividends shall be cumulative, and, if so, the date or dates from which they shall be cumulative and the relative rights of priority, if any, in the payment of dividends on shares of that series;

(iii) the voting rights, if any, of the shares of that series in addition

to the voting rights provided by law and the terms of any such voting rights;

(iv) the terms and conditions, if any, upon which shares of that series shall be convertible or exchangeable for shares of any other class or classes of stock of the Corporation or other entity, including provision for adjustment of the conversion or exchange rate upon the occurrence of such events as the Board of Directors shall determine;

(v) the right, if any, of the Corporation to redeem shares of that series and the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable and the amount per share payable in case of redemption, which amount may vary according to different conditions and different redemption dates;

(vi) the obligation, if any, of the Corporation to retire shares of that series pursuant to a retirement or sinking fund or fund of a similar nature for the redemption or purchase of shares of that series and the terms and conditions of such obligation;

(vii) the rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Corporation, and the relative rights of priority, if any, in the payment of shares of that series;

(viii) the preemptive or preferential rights, if any, of the holders of shares of such series to subscribe for, purchase, receive, or otherwise acquire any part of any new or additional issue of stock of any class, whether now or hereafter authorized, or of any bonds, debentures, notes, or other securities of the Corporation, whether or not convertible into shares

of stock with the Corporation, and

(ix) any other rights, preferences and limitations of the shares of that series as may be permitted by law.

(b) Dividend Preference. Dividends on outstanding shares of preferred stock shall be paid or declared and set apart for payment before any dividends shall be paid or declared and set apart for payment on shares of common stock with respect to the same dividend period.

(c) Relative Liquidation Preference. If, upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the assets available for distribution to holders of shares of preferred stock of all series shall be insufficient to pay such holders the full preferential amount to which they are entitled, then such assets shall be distributed ratably among the shares of all series of preferred stock in accordance with their respective priorities and preferential amounts (including unpaid cumulative dividends, if any) payable with respect thereto.

(d) Reissuance of Preferred Stock. Subject to the conditions or restrictions on issuance set forth in the resolution or resolutions adopted by the Board of Directors providing for the issue of any series of shares of Preferred Stock, shares of Preferred Stock of any series that have been redeemed or repurchased by the Corporation (whether through the operation of a sinking fund or otherwise) or that, if convertible or exchangeable, have been converted or exchanged in accordance with their terms, shall be retired and have the status of authorized and unissued shares of Preferred Stock of the same series and maybe reissued as a part of the series of which they were originally a part or may, upon the filing of an appropriate

certificate with the Florida Secretary of State, be reissued as part of a new series of shares of Preferred Stock to be created by resolution or resolutions of the Board of Directors or as part of any other series of shares of Preferred Stock.
