Statement of Facts

On December 18, 2023, it was brought to the attention of Master Halco that someone had fraudulently amended our annual report information on the Sunbiz website. This amendment was filed on December 6, 2023. The fraudulent report was then used to open a bank account in our company name and deposit customer checks mailed to our business.

Once made aware we completed a new amendment to correct the company information on Sunbiz. Please let us know if any further action should be taken by us.
