Dear Mrs. Eula Peterson

I have sent you the corrected Application For Corporation that was sent back to my client. We spoke on 03/21/08 via phone and you informed me of the corrections that needed to take place on the application so that it could be processed properly. As you instructed me we corrected the name to one that is available for incorporation. We put a line through the old one and rewrote the correct name for the corporation, which is "A B Power Electric Corp". We also corrected the shares from 99.9 to 1000 even. My client has also ensured that all required signatures are in place. This should correct all problems with the application so it can be processed and recorded as soon as possible. The funds for the registration should be there in your system since it was sent with the original application. I want to thank you personally for your professional help in this matter and feel that it is professional people like yourself that makes it a joy to do business here in the state of Florida. I thank you again for your help and look forward in doing business with your department in the future.

Sincerely,

Gregory J. Salgado
