To whom it may concern:

The creation of this corporation was made without my knowledge, I found out through my lawyer that I have been a victim of identity theft. Mario Golden was my Real Estate agent and he stole the money I place for a deposit on a house on March, 2008 and he never file the buying contract for the house I was interested on. When I tried to get a release from his real estate representation he send to my e-mail a power of attorney revocation. That's when I realized that I was in trouble, but I never imagined that he would go this far. My lawyer recommended to file this Dissolution of Corporation before we take any other actions regarding this matter.

Thank you for your cooperation;
