Greetings,

In response to your letter of April 23, 2009 I have enclosed a revised set of the 'Restated Articles of Incorporation'. We have made the following changes to this document as per your request.

On the fourth page, under Article IX, we have added the language that the *"Restated Articles of Incorporation have been approved by the Shareholders"*. Also, we have deleted the language in Article VI that relates to the initial registered agent and have also removed the word *"initial" or "first"* from the Restated Article regarding directors and officers.

We hope that we have correctly completed the changes to this document as per your request.

Sincerely,

John Christensen – President
Southwest International Construction Corporation .
