Preemptive Rights. The corporation elects to have preemptive rights so that each shareholder has the right to acquire a proportional amount of any shares that are issued.

Director or Officer Interest. In the absence of fraud, no transaction between (a) this corporation and (b) any other association, corporation or any director or officer of this corporation individually, shall be affected by the fact that any director or officer of this corporation is individually a party to the transaction or is interested in or is a director or officer of such other association or corporation.
