QUANTUM INNOVATIONS, INC.  
A FLORIDA CORPORATION**

Pursuant to Sections 607.1003 and 607.1007 of the Florida Business Corporation Act, Chapter 607, Florida Statutes (the "FBCA"), the Articles of Incorporation of Quantum Innovations, Inc., a corporation organized and existing under the laws of the State of Florida, the Articles of Incorporation of which were initially filed with the Department of State of the State of Florida (the "Department") on May 15, 2008 and were amended and restated on October 11, 2011.

**ARTICLE I - NAME**

The name of the Corporation is OXIO Health, Inc. (hereinafter called the "Corporation").

**ARTICLE II - PRINCIPAL OFFICE AND REGISTERED AGENT**

The street and mailing address of the current principal place of business and registered office of the Corporation is 6801 Lake Worth Road, Suite 302, Greenacres, Florida 33467; such principal place of business of the Corporation may be relocated to such address and city within or without the State of Florida as may be designated by the Board of Directors of the Corporation (the "Board of Directors") from time to time. The name and address of the Corporation's registered agent in the State of Florida is Noel J. Guillama, located at 6801 Lake Worth Road, Suite 302, Greenacres, Florida 33467.

**ARTICLE III - PURPOSE**

The Corporation is formed to engage in any lawful act or activity for which corporations may be organized under the FBCA, including any amendments thereto.

**ARTICLE IV - CAPITAL STOCK**

The aggregate number of shares of capital stock which the Corporation shall have the authority to issue is Five Hundred Million (500,000,000) shares, consisting of (a) Four Hundred Million (400,000,000) shares of Common Stock, par value \$0.0001 per share (the "Common Stock"), and (b) One Hundred Million (100,000,000) shares of Preferred Stock, par value \$0.0001 per share (the "Preferred Stock").

A statement of the powers, privileges and relative rights, and the qualifications, limitations or restrictions thereof, in respect of each class of stock of the Corporation, is as follows:

**A. Common Stock.**

1. General. All shares of Common Stock shall be identical and shall entitle the holders thereof to the same powers, preferences, qualifications, limitations, privileges and other rights provided under the FBCA (except as expressly provided under these Amended and Restated Articles of Incorporation). The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights of the holders of the Preferred Stock (when, if and to the extent shares or series of such stock are designated and issued).

2. Voting Rights. Each holder of record of Common Stock shall be entitled to one vote for each share of Common Stock standing in such holder's name on the books of the Corporation.

Except as otherwise required by law or by or pursuant to Section B of this Article IV of these Amended and Restated Articles of Incorporation, the holders of Common Stock and the holders of Preferred Stock shall vote together as a single class on all matters submitted to shareholders for a vote (including any action by written consent).

3. Dividends. Subject to provisions of law and Section B of this Article IV of these Amended and Restated Articles of Incorporation, the holders of Common Stock shall be entitled to receive dividends out of funds legally available therefor at such times and in such amounts as the Board of Directors may determine in its sole discretion.

4. Liquidation. Subject to provisions of law and Section B of this Article IV of these Amended and Restated Articles of Incorporation, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after the payment or provision for payment of all debts and liabilities of the Corporation and any and all preferential amounts to which the holders of the Preferred Stock are entitled with respect to the distribution of the net assets of the Corporation in liquidation, the holders of Common Stock shall be entitled to share ratably in the remaining net assets of the Corporation available for distribution.

## **B. Preferred Stock**

1. Issuance of Preferred Stock in Classes or Series. The Preferred Stock of the Corporation may be issued in one or more classes or series at such time or times and for such consideration as the Board of Directors may determine in its sole discretion. Each class or series shall be designated so as to distinguish the shares thereof from the shares of all other classes and series. All shares of a series shall have preferences, limitations and relative rights identical with those of other shares of the same series and, except to the extent otherwise specifically provided in the designation and description of the series, with those of other series of the same class. Different series of Preferred Stock shall not be construed to constitute different classes of shares for the purpose of voting by classes unless specifically provided for herein.

2. Authority to Establish Variations Between Classes or Series of Preferred Stock. The Board of Directors is expressly authorized, subject to the limitations prescribed by law and the provisions of these Amended and Restated Articles of Incorporation, to provide, by adopting a resolution or resolutions of the Board, for the designation and issuance of the undesignated Preferred Stock in one or more classes or series, each with such preferences, limitations and relative rights and privileges as shall be set forth in articles of amendment to these Amended and Restated Articles of Incorporation, which shall be filed in accordance with the FBCA. Without limiting the foregoing, the authority of the Board of Directors with respect to each such class or series shall include the right to determine and fix:

(a) the distinctive designation of such class or series and the number of shares to constitute such class or series;

(b) the rate at which dividends on the shares of such class or series shall be declared and paid, or set aside for payment, whether dividends at the rate so determined shall be cumulative or accruing, and whether the shares of such class or series shall be entitled to any participating or other dividends in addition to dividends at the rate so determined, and if so, on what terms or in what events;

(c) the right or obligation, if any, of the Corporation to redeem shares of the particular class or series of Preferred Stock and, if redeemable, the price, terms and manner of such redemption;

(d) the special and relative rights and preferences, if any, and the amount or amounts per share, which the shares of such class or series of Preferred Stock shall be entitled to receive, in

preference over any or all other class(es) or series, upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation (and distribution of the net assets of the Corporation in connection therewith);

(e) the terms and conditions, if any, upon which shares of such class or series shall be convertible into, or exchangeable for, shares of capital stock of any other class or series, including the price or prices or the rate or rates of conversion or exchange, the terms and conditions of conversion or exchange, and the terms of adjustment, if any;

(f) the obligation, if any, of the Corporation to retire, redeem or purchase shares of such class or series pursuant to a sinking fund or fund of a similar nature or otherwise, and the terms and conditions of such obligation;

(g) voting rights, if any, including special, conditional or limited voting rights with respect to any matter, including with respect to the election of directors and matters adversely affecting any class or series of Preferred Stock;

(h) limitations, if any, on the issuance of additional shares of such class or series or any shares of any other class or series of Preferred Stock; and

(i) such other preferences, limitations or relative rights and privileges thereof as the Board of Directors, acting in accordance with applicable law and these Amended and Restated Articles of Incorporation, may deem advisable and which are not inconsistent with law or with the provisions of these Amended and Restated Articles of Incorporation.

### **C. Series A Preferred Stock**

1. Designation and Number of Shares. There shall be a series of Preferred Stock that shall be designated as "Series A Preferred Stock," and the number of shares constituting such series shall be fifty million (50,000,000) shares. Such number of shares may be increased or decreased by resolution of the Board of Directors; provided, however, that no decrease shall reduce the number of shares of Series A Preferred Stock to less than the number of shares then issued and outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Corporation.

2. Ranking. The Series A Preferred Stock shall rank on parity with the Corporation's Common Stock and any class or series of capital stock of the Corporation hereafter created (the "Parity Securities"), in each case as to the distribution of assets upon liquidation, dissolution or winding up of the Corporation.

3. Liquidation. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary ("Liquidation"), the holders of record of the shares of the Series A Preferred Stock shall be entitled to receive assets and funds on parity with the Parity Securities. If, upon such Liquidation, the assets of the Corporation available for distribution to the holders of Series A Preferred Stock and any Parity Securities shall be insufficient to permit payment in full to the holders of the Series A Preferred Stock and Parity Securities, then the entire assets and funds of the Corporation legally available for distribution to such holders and the holders of the Parity Securities then outstanding shall be distributed ratably among the holders of the Series A Preferred Stock and Parity Securities based upon the proportion the total amount distributable on each share upon Liquidation bears to the aggregate amount required to be distributed, but for the provisions of this sentence, on all shares of the Series A Preferred Stock and of such Parity Securities, if any.

4. Dividends. None.

5. Conversion Rights.

(a) Optional Conversion. At the option of the holders of the Series A Preferred Stock (subject to the approval required below)

(i) Shares of the Series A Preferred Stock shall convert into such number of the Corporation's fully paid and non-assessable common stock as shall be the equal to 29.9% of the Corporation's common stock on a fully diluted basis at the time of conversion (the "Conversion Formula") as of the Conversion Date (as defined below).

(ii) No conversion, however, shall be made except upon approval of holders of more than 51% of the Series A Preferred Stock, at which time all shares of Series A Preferred Stock shall convert automatically into shares of Common Stock based on the Conversion Formula.

(b) Mandatory Conversion. Upon the happening of the following events the Series A Preferred Stock shall convert into shares of the Corporation's common stock pursuant to the Conversion Formula on the Conversion Date as follows:

(i) An initial public offering of the Corporation's capital stock;

(ii) The listing of the Corporation's capital stock on a national securities exchange; or

(iii) A change of control as defined on Exhibit A.

(c) Mechanics of Conversion.

(i) Holders of Series A Preferred Stock shall only be entitled to convert the shares of Series A Preferred Stock into shares of Common Stock upon the approval of holders of more than 51% of the Series A Preferred Stock, at which time and upon written notice, all holders shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Series A Preferred Stock, and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, within five business days, issue and deliver at such office to the holders of Series A Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. If any holder fails to surrender the certificate, the holder's Series A Preferred Stock shall automatically convert and shares of Common Stock will be issued in the holder's name.

(ii) All Common Stock, which may be issued upon conversion of the Series A Preferred Stock, will, upon issuance, be duly issued, fully paid and non-assessable and free from all taxes, liens, and charges with respect to the issuance thereof.

6. Anti-Dilution Provisions. During the period in which any shares of Series A Preferred Stock remain outstanding, the Conversion Formula in effect at any time and the number and kind of securities issuable upon the conversion of the Series A Preferred Stock shall be subject to adjustment from time to time following the date of the original issuance of the Series A Preferred Stock upon the happening of certain events as follows:

7. Consolidation, Merger or Sale. If any consolidation or merger of the Corporation with an unaffiliated third-party, or the sale, transfer or lease of all or substantially all of its assets to an unaffiliated third-party shall be effected in such a way that holders of shares of Common Stock shall be entitled to receive stock, securities or assets with respect to or in exchange for their shares of Common Stock, then provision shall be made, in accordance with this Section 6(a), whereby each holder of shares of Series A Preferred Stock shall thereafter have the right to receive such securities or assets as would have been issued or payable with respect to or in exchange for the shares of Common Stock into which the shares of Series A Preferred Stock held by such holder were convertible immediately prior to the closing of such merger, sale, transfer or lease, as applicable. The Corporation will not effect any such consolidation, merger, sale, transfer or lease unless prior to the consummation thereof the successor entity (if other than the Corporation) resulting from such consolidation or merger or the entity purchasing or leasing such assets shall assume by written instrument (i) the obligation to deliver to the holders of Series A Preferred Stock such securities or assets as, in accordance with the foregoing provisions, such holders may be entitled to purchase, and (ii) all other obligations of the Corporation hereunder. The provisions of this Section 6(a) shall similarly apply to successive mergers, sales, transfers or leases. Holders shall not be required to convert Series A stock pursuant to this Section 6(a).

8. Notice of Adjustment. Whenever the Conversion Formula is adjusted as herein provided, the Corporation shall promptly but no later than 10 days after any request for such an adjustment by the holder, cause a notice setting forth the adjusted Conversion Formula issuable upon exercise of each share of Series A Preferred Stock, and, if requested, information describing the transactions giving rise to such adjustments, to be mailed to the holders at their last addresses appearing in the share register of the Corporation, and shall cause a certified copy thereof to be mailed to its transfer agent, if any. The Corporation may retain a firm of independent certified public accountants selected by the Board of Directors (who may be the regular accountants employed by the Corporation) to make any computation required by this Section 6, and a certificate signed by such firm shall be conclusive evidence of the correctness of such adjustment.

9. Voting Rights.

(a) General. On any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written consent of stockholders in lieu of meeting), in addition to any voting rights provided by applicable law, each holder of outstanding shares of Series A Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the other provisions of the certificate of incorporation of the Corporation, holders of Series A Preferred Stock shall vote together with the holders of Common Stock as a single class.

(b) Election of Directors. For so long as shares of Series A Preferred Stock remain outstanding, the holders of record of such shares, exclusively and as a separate class, shall be entitled to elect a majority of the members the Board of Directors ("Series A Directors"). Any Series A Director may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the shares of the Series A Preferred Stock, given either at a special meeting of such holders duly called for that purpose or pursuant to a written consent of such holders. If the holders of shares of the Series A Preferred Stock fail to elect the applicable number of Series A Directors, then any directorship not so filled shall remain vacant until such time as the holders of the Series A Preferred Stock elect a person to fill such directorship by vote or written consent in lieu of a meeting; and no such directorship may be filled by stockholders of the Corporation other than by the holders of the Series A Preferred Stock. At any meeting held for the purpose of electing a Series A Director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the Series A Preferred Stock shall constitute a quorum for the purpose of electing

such Series A Director. The initial Series A Directors shall be those Persons who are designated by the record holder of the Series A Preferred Stock on the Issue Date to serve until their successors are duly elected.

10. Redemption. Neither the Corporation nor the holders of the Series A Preferred Stock shall have any right at any time to require the redemption of any of the shares of Series A Preferred Stock, except upon and by reason of any liquidation, dissolution or winding-up of the Corporation, as and to the extent herein provided.

11. Reservation of Shares. The Corporation shall at all times reserve and keep available and free of preemptive rights out of its authorized but unissued Common Stock, solely for the purpose of effecting the conversion of the Series A Preferred Stock pursuant to the terms hereof, such number of its shares of Common Stock (or other shares or other securities as may be required) as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred Stock pursuant to the terms hereof. If at any time the number of authorized but unissued shares of Common Stock (or such other shares or other securities) shall not be sufficient to affect the conversion of all then outstanding Series A Preferred Stock, the Corporation shall promptly take such action as may be necessary to increase its authorized but unissued Common Stock (or other shares or other securities) to such number of shares as shall be sufficient for such purpose.

12. Miscellaneous.

(a) The shares of the Series A Preferred Stock shall not have any preferences, voting powers or relative, participating, optional, preemptive or other special rights except as set forth above in this Resolution Designating Series A Preferred Stock and in the Articles of Incorporation of the Corporation.

(b) The holders of the Series A Preferred Stock shall be entitled to receive all communications sent by the Corporation to the holders of the Common Stock.

(c) Holders of fifty-one percent (51%) of the outstanding shares of Series A Preferred Stock may, voting as a single class, elect to waive any provision of this Resolution Designating Series A Preferred Stock, and the affirmative vote of such percentage with respect to any proposed waiver of any of the provisions contained herein shall bind all holders of Series A Preferred Stock.

**Exhibit A**

**Change in Control.** The term "Change in Control" means the occurrence of any of the following events:

(a) the acquisition, directly or indirectly, by any "person" or "group" (as those terms are defined in Sections 3(a)(9), 13(d), and 14(d) of the Exchange Act and the rules thereunder) of "beneficial ownership" (as determined pursuant to Rule 13d-3 under the Exchange Act) of securities entitled to vote generally in the election of directors ("voting securities") of Corporation that represent 40% or more of the combined voting power of Corporation's then outstanding voting securities or 50% or more of the combined Fair Market Value of Corporation's then outstanding stock, other than:

(i) an acquisition by a trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by Corporation or any person controlled by Corporation or by any employee benefit plan (or related trust) sponsored or maintained by Corporation or any person controlled by Corporation, or

- (ii) an acquisition of voting securities by Corporation or a corporation owned, directly or indirectly, by the stockholders of Corporation in substantially the same proportions as their ownership of the stock of Corporation.

provided, however, that notwithstanding the foregoing, an acquisition of Corporation's securities by Corporation that (x) causes Corporation's voting securities beneficially owned by a person or group to represent 40% or more of the combined voting power of Corporation's then outstanding voting securities or (y) cause Corporation's stock beneficially owned by a person or group to represent 50% or more of the combined Fair Market Value of Corporation's then outstanding stock shall not be considered an acquisition by any person or group for purposes of this subsection (a); provided, however, that if a person or group shall become the beneficial owner of 40% or more of the combined voting power of Corporation's then outstanding voting securities or 50% or more of the combined Fair Market Value of Corporation's then outstanding stock by reason of share acquisitions by Corporation as described above and shall, after such share acquisitions by Corporation, become the beneficial owner of any additional securities of Corporation, then such acquisition shall constitute a Change in Control;

(b) the date a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board before the date of the appointment or election, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board;

(c) the acquisition by any "person" or "group" (as those terms are defined in Sections 3(a)(9), 13(d), and 14(d) of the Exchange Act and the rules thereunder), or combined acquisitions during the 12-month period ending on the date of the most recent acquisition by such person or group, of ownership of assets from Corporation that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of the assets of the Corporation immediately before such acquisition; and

(d) stockholder approval of a complete liquidation or dissolution of Corporation.

For purposes of subsection (a) above, the calculation of voting power shall be made as if the date of the acquisition were a record date for a vote of Corporation's stockholders, and for purposes of subsection (c) above, the calculation of voting power shall be made as if the date of the consummation of the transaction were a record date for a vote of Corporation's stockholders.

Notwithstanding the foregoing, there is no Change in Control event when there is a transfer to an entity that is controlled by the stockholders of the Corporation immediately after the transfer. A transfer of assets by Corporation is not treated as a Change in Control if the assets are transferred to:

- (i) Stockholder of Corporation (immediately before the asset transfer) in exchange for or with respect to the stockholders' stock;
- (ii) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by Corporation;
- (iii) a person or group that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of Corporation; or
- (iv) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a person or group described in (iii) above.

#### **D. Options, Warrants & Rights.**

1. The Corporation may issue options, warrants and rights for the purchase of shares of any class or series of the Corporation. The Board of Directors, in its sole discretion, shall determine the terms and conditions on which the options, warrants or rights are issued, their form and content and the consideration for which, and terms and conditions upon which, the shares are to be issued.

2. The terms and conditions of rights or options to purchase shares of any class or series of the Corporation may include, without limitation, restrictions or conditions that preclude or limit the exercise, transfer, receipt or holding of such rights or options by any person or persons, including any person or persons owning (beneficially or of record) or offering to acquire a specified number or percentage of the outstanding shares of any class or series, or any transferee or transferees of any such person or persons, or that invalidate or void such rights or options held by any such person or persons or any such transferee or transferees.

### **ARTICLE V - BOARD OF DIRECTORS**

The Board of Directors shall consist of not fewer than one (1) nor more than seven (7) members. The number of directors constituting the Board within these limits may be fixed, and increased or decreased, from time to time as provided in the Bylaws of the Corporation. All corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the Board of Directors. Members of the Board of Directors must be natural persons who are at least 18 years of age but need not be residents of Florida or shareholders of the Corporation.

### **ARTICLE VI - DIRECTOR ACTION WITHOUT A MEETING**

Any action required or permitted to be taken at a meeting of the Board of Directors (or of a committee of the Board of Directors) may be taken without a meeting, without prior notice and without a vote if the action is taken by the written consent of all members of the Board of Directors (or of such committee of the Board of Directors). The action must be evidenced by one or more written consents describing the action taken and signed by each director (or committee member), which consent(s) shall be filed in the official minute books of the Corporation in which proceedings of meetings of the Board of Directors are recorded. Any action taken by written consent under this Article VI shall be deemed effective when the last director signs the consent, unless the consent specifies otherwise, and shall have the same effect as a meeting vote and may be described as such in any document.

### **ARTICLE VII - CALL OF SPECIAL SHAREHOLDERS MEETING**

Except as otherwise required by law or by or pursuant to these Amended and Restated Articles of Incorporation, the Corporation shall not be required to call or hold a special meeting of shareholders of the Corporation unless (in addition to any other requirement(s) of applicable law or elsewhere in these Amended and Restated Articles of Incorporation) (i) the holders of not less than forty percent (40%) of all the votes entitled to be cast on any issue proposed to be considered at the special meeting sign, date and deliver to the Corporation's Secretary one or more written demands for the meeting describing the purpose or purposes for which it is to be held; or (ii) the meeting is called by (a) the Board of Directors pursuant to a resolution approved by a majority of the entire Board of Directors, (b) the Corporation's Chairman of the Board of Directors or Chief Executive Officer, or (c) the Corporation's Secretary upon the written request of a majority of the members of the Board of Directors or by the Series A Directors. Only business within the purpose or purposes described in the special meeting notice required by Section 607.0705 of the FBCA (or a successor provision of such law) may be conducted at a special shareholders' meeting.

## ARTICLE VIII - SHAREHOLDER ACTION BY WRITTEN CONSENT

Any action required or permitted to be taken at any annual or special meeting of shareholders of the Corporation may be taken without a meeting, without prior notice and without a vote if such action is taken by the written consent of the holders of the outstanding shares of capital stock of the Corporation entitled to vote on such action having not less than the minimum number of votes (including, if and as applicable, the minimum number of votes of any voting groups entitled to vote separately on the matter) necessary to authorize or take such action at a meeting at which all shares of capital stock entitled to vote thereon were present and voted. In order to be effective, the action must be evidenced by one or more written consents describing the action taken, dated and signed by approving shareholders having the requisite number of votes entitled to vote thereon, and delivered to the Secretary or other officer or agent of the Corporation having custody of the official minute books of the Corporation in which proceedings of meetings of the shareholders are recorded (the "Shareholder Minute Books"). Whenever action is taken pursuant to this Article VIII, the written consent(s) of shareholders, or the written reports of inspectors appointed to tabulate shareholder consents, shall be filed in the Shareholder Minute Books. No written consent of shareholders shall be effective to take the corporate action referred to therein unless, within 60 days of the date of the earliest dated consent delivered in the manner provided in this Article VIII, written consents executed and delivered by the number of holders required to take action are delivered to the Corporation by delivery as required in this Article VIII. Within ten (10) days after obtaining authorization of corporate action by written consent of shareholders, notice shall be given to those shareholders who have not consented in writing or who are not entitled to vote on the action, which notice shall comply with the provisions of the FBCA. Any action taken by written consent under this Article VIII shall have the effect of a meeting vote and may be described as such in any document.

## ARTICLE IX - LIMITATION OF LIABILITY

To the fullest extent permitted under the FBCA and other applicable law, no director of the Corporation shall be personally liable to the Corporation or any of its shareholders or any other person for monetary damages for or relating to any statement, vote, decision, action or failure to act, regarding corporate management or policy, by a director, unless the breach or failure to perform his or her duties as a director satisfies the standards set forth in Section 706.0831(1) of the FBCA (or a successor provision of such law) as the same exists or may hereafter be amended. To the fullest extent permitted under the FBCA and other applicable law, a director of the Corporation shall not be or held liable for any action taken as a director, or any failure to take action, if he or she performed the duties of his or her office in compliance with Section 607.0830 of the FBCA (or a successor provision of such law) as the same exists or may hereafter be amended. If the FBCA is amended hereafter to authorize the further elimination or limitation of the liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent authorized by the FBCA, as so amended. Any repeal or modification of this Article IX shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification with respect to acts or omissions occurring prior to such repeal or modification.

## ARTICLE X - INDEMNIFICATION

The Corporation shall indemnify its directors to the fullest extent authorized or permitted by law, as now or hereafter in effect, and such right to indemnification shall continue as to a person who has ceased to be a director of the Corporation and shall inure to the benefit of his or her heirs, executors, administrators and personal and legal representatives; provided, however, that, except for proceedings to enforce rights to indemnification, the Corporation shall not be obligated to indemnify any director (or his or her heirs, executors, administrators or personal or legal representatives) in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors. The right to indemnification conferred by this Article X shall include the right

to be paid by the Corporation the expenses incurred in defending or otherwise participating in any proceeding in advance of its final disposition only upon the Corporation's receipt of an undertaking by or on behalf of the director to repay such amounts if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation as authorized in this Article X.

The Corporation may, to the extent authorized from time to time in the Corporation's Bylaws or otherwise by resolution of the Board of Directors, provide rights to indemnification and/or to the advancement of expenses to officers, employees and agents of the Corporation similar to those conferred in this Article X to directors of the Corporation.

The rights to indemnification and to the advancement of expenses conferred in this Article X shall not be exclusive of any other right(s) which any person may have or hereafter acquire under these Amended and Restated Articles of Incorporation, the Bylaws of the Corporation, any statute, agreement, vote of shareholders or disinterested directors or otherwise.

Any repeal or modification of this Article X shall not adversely affect any rights to indemnification and/or to the advancement of expenses of a director of the Corporation existing at the time of such repeal or modification with respect to any acts or omissions occurring prior to such repeal or modification.

The Corporation shall have the power and authority to purchase and maintain insurance (including, without limitation, errors and omissions insurance) on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability or expenses asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify him or her against such liability or expenses under the provisions of this Article X.

#### **ARTICLE XI - BYLAW AMENDMENTS**

In furtherance and not in limitation of the powers conferred by the laws of the State of Florida, each of the Board of Directors and the shareholders of the Corporation is expressly authorized and empowered to make, alter, amend and repeal the Bylaws of the Corporation in any respect not inconsistent with the laws of the State of Florida or with these Amended and Restated Articles of Incorporation. For the shareholders to make, alter, amend or repeal the Bylaws of the Corporation in any respect, such action (in addition to any other vote required under applicable law or elsewhere in these Amended and Restated Articles of Incorporation) must be approved by the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote thereon.
