Corporate Filing-900130460589

Dear Diane;

With regards to the above referenced matter, thank you so much for agreeing to file this corporation, as per the attached e-mail.

Please be advised that after completing our due diligence search of sunbiz.org for the name Hiram's Inc., we found no records to indicate the existence of any entity bearing the same or similar name. We are aware that you have on file a corporation named "Hiram A. Corp.". We believe that this name is not similar enough to the name that we have incorporated, "Hiram's Inc", to cause the filing to be rejected.

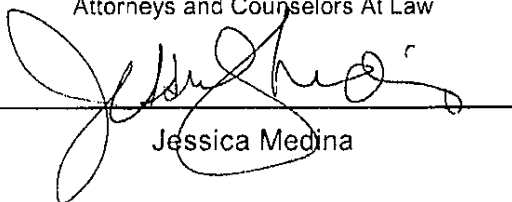

If you have any questions, please do not hesitate to call.

Sincerely,
