To whom it may concern:

The Terral Corporation was formed in conjunction with patent-pending applications in remote control surgery and new engine designs that were abandoned for complete lack of interest by anyone in the market place. Our doors never opened and much money was spent, but the Terral Corporation never realized a single cent in revenue and never had any profits.

Sincerely,

A handwritten signature in black ink, appearing to read "Terral L. Croft". The signature is written in a cursive, flowing style with some loops and flourishes.
