Subject: EIN Change for Franz Carpentry

The IRS has informed us that FCS Carpentry Services taxes was using the same EIN number as a business called Absolute Remodeling. My son worked for the Absolute Remodeling at one point. When he went to Lake County to start a new business, he received the old EIN number. He continued to use that number and did not know of the conflict until this year while working with the IRS on a tax issue.

We have now made the appropriate changes to satisfy the IRS"
-Filed with the Federal Government to start a new business called **Franz Carpentry**
-received a new EIN of **61-1608093**
-address remains the same: 39742 Swift Road, Eustis, Florida 32736
-have new business license from tax collector county with new EIN number

Per our phone call with Division of Corporation employee, we will also submit the form for Articles of Amendment with \$35.00

Thank you for your attention to this matter.
