This power may be exercised by a vote of a majority of shareholders present at any annual or special meeting of the shareholders. Moreover, the directors have no power to suspend, repeal, amend or otherwise alter any bylaw or portion of any bylaw so enacted by the shareholders, unless the shareholders, in enacting any bylaw or portion of any bylaw, otherwise provide.

10.2 Personal Liability of Shareholders: The private property of the shareholders of this Corporation is not subject to the payment of corporate debts, except to the extent of any unpaid balance of subscription for shares.

10.3 Denial of Preemptive Rights: No holder of any shares of the Corporation of any class now or in the future authorized shall have any preemptive right as such holder (other than such right, if any, as the board of directors in its discretion may determine) to purchase or subscribe for any additional issues of shares of the Corporation of any class now or in the future authorized, nor any shares of the Corporation purchased and held as treasury shares, or any part paid receipts or allotment certificates in respect of any such shares, or any securities convertible into or exchangeable for any such shares, or any warrants or other instruments evidencing rights or options to subscribe for, purchase or otherwise acquire any such shares, whether such shares, receipts, certificates, securities, warrants or other instruments be unissued, or issued and subsequently acquired by the Corporation; and any such shares, receipts, certificates, securities, warrants or other instruments, in the discretion of the board of directors, may be offered from time to time to any holder or holders of shares of any class or classes to the exclusion of all other holders of shares of the same or any other class at the time outstanding.

percentage of the vote required by statute for that action, and provided that prompt notice is given to all shareholders of the taking of corporate action without a meeting and by less than unanimous written consent.

ARTICLE 11. Amendments

The Corporation shall be deemed, for all purposes, to have reserved the right to amend, alter, change or repeal any provision contained in its articles of incorporation, as amended, to the extent and in the manner now or in the future permitted or prescribed by statute, and all rights conferred in these Articles upon shareholders are granted subject to that reservation.

ARTICLE 12. Regulation of Business and Affairs of Corporation

12.1 Powers of Board of Directors

(a) In furtherance and not in limitation of the powers conferred upon the board of directors by statute, the board of directors is expressly authorized, without any vote or other action by shareholders other than such as at the time shall be expressly required by statute or by the provisions of these Articles of incorporation, as amended, or of the bylaw, to exercise all of the powers, rights and privileges of the Corporation (whether expressed or implied in these Articles or conferred by statute) and to do all acts and things which may be done by the Corporation, including, without limiting the generality of the above, the right to:

(i) Pursuant to a provision of the bylaw, by resolution adopted by a majority of the actual number of directors elected and qualified, to designate from among its members an executive committee and one or more other committees, each of which, to the extent provided in that resolution or in the bylaw, shall have and exercise all the authority of the board of directors except as otherwise provided by law;

(ii) To make, alter, amend or repeal bylaw for the Corporation;

(iii) To authorize the issuance from time to time of all or any shares of the Corporation, now or in the future authorized, part paid receipts or allotment certificates in respect of any such shares, and any securities convertible into or exchangeable for any such shares (regardless of whether those shares, receipts, certificates or securities be unissued or issued and subsequently acquired by the Corporation), in each case to such Corporations, associations, partnerships, firms, individuals or others (without offering those shares or any part of them to the holders of any shares of the Corporation of any class now or in the future authorized), and for such consideration (regardless of whether more or less than the par value of the shares), and on such terms as the board of directors from time to time in its discretion lawfully may determine;

(iv) From time to time to create and issue rights or options to subscribe for, purchase or otherwise acquire any shares of stock of the Corporation of any class now or in the future authorized or any bonds or other obligations or securities of the Corporation (without offering the same or any part of them to the holders of any shares of the Corporation of any class now or in the future authorized);

(v) In furtherance and not in limitation of the provisions of the above subdivisions (iii) and (iv), from time to time to establish and amend plans for the distribution among or sale to any one or more of the officers or employees of the Corporation, or any subsidiary of the Corporation, of any shares of stock or other securities of the Corporation of any class, or for the grant to any of such officers or employees of rights or options to subscribe for, purchase or otherwise acquire any such shares or other securities, without in any case offering those shares or any part of them to the holders of any shares of the Corporation of any class now or in the future authorized; such distribution, sale or grant may be in addition to or partly in lieu of the compensation of any such officer or employee and may be made in consideration for or in recognition

of services rendered by the officer or employee, or to provide him/her with an incentive to serve or to agree to serve the Corporation or any subsidiary of the Corporation, or otherwise as the board of directors may determine; and

(vi) To sell, lease, exchange, mortgage, pledge, or otherwise dispose of or encumber all or any part of the assets of the Corporation unless and except to the extent otherwise expressly required by statute.

(b) The board of directors, in its discretion, may from time to time:

(i) Declare and pay dividends upon the authorized shares of stock of the Corporation out of any assets of the Corporation available for dividends, but dividends may be declared and paid upon shares issued as partly paid only upon the basis of the percentage of the consideration actually paid on those shares at the time of the declaration and payment;

(ii) Use and apply any of its assets available for dividends, subject to the provisions of these Articles, in purchasing or acquiring any of the shares of stock of the Corporation; and

(iii) Set apart out of its assets available for dividends such sum or sums as the board of directors may deem proper, as a reserve or reserves to meet contingencies, or for equalizing dividends, or for maintaining or increasing the property or business of the Corporation, or for any other purpose it may deem conducive to the best interests of the Corporation. The board of directors in its discretion at any time may increase, diminish or abolish any such reserve in the manner in which it was created.

12.2 Approval of Interested Director or Officer Transactions: No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other Corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the board or committee thereof which authorizes the contract or transaction, or solely because his/her or their votes are counted for such purpose, if:

1. The material facts as to his/her interest and as to the contract or transaction are disclosed or are known to the board of directors or the committee, and the board or committee in good faith authorizes the contract or transaction by a vote sufficient for such purpose without counting the vote of the interested director or directors; or

2. The material facts as to his/her interest and as to the contract or transaction are disclosed or are known to the shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the shareholders; or

3. The contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the board of directors, a committee thereof, or the shareholders.

Interested directors may be counted in determining the presence of a quorum at a meeting of the board of directors or of a committee that authorizes the contract or transaction.

12.3 Indemnification:

(a) The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he/she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fee), judgments, fines and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had

no reasonable cause to believe his/her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he/she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her conduct was unlawful.

(b) The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he/she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another Corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with the defense or settlement of such action or suit if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his/her duty to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such other court shall deem proper.

(c) To the extent that any person referred to in paragraphs (a) and (b) of this Article has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to therein or in defense of any claim, issue or matter therein, he/she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection therewith.

(d) Any indemnification under paragraphs (a) and (b) of this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he/she has met the applicable standard of conduct set forth in paragraphs (a) and (b) of this Article. Such determination shall be made (a) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by the shareholders.

(e) Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he/she is entitled to be indemnified by the Corporation as provided in this Article.

(f) The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any statute, bylaw, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his/her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him/her and incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the Corporation would have the power to indemnify him/her against such liability under the provisions of this Article 11.

(h) For the purposes of this Article, references to "the Corporation" include all constituent Corporations absorbed in a consolidation or merger as well as the resulting or surviving Corporation so that any person

who is or was a director, officer, employee or agent of such a constituent Corporation or is or was serving at the request of such constituent Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise shall stand in the same position under the provisions of this section with respect to the resulting or surviving Corporation as he/she would if he/she had served the resulting or surviving Corporation in the same capacity.

SECOND: The date of adoption of these Articles of Incorporation was October 2008

THIRD: These Amended and Restated Articles of Incorporation were authorized by the vote of the board of directors followed by the consent of a majority of all outstanding shares entitled to vote thereon. The number of votes cast by the shareholders was sufficient for approval.

IN WITNESS WHEREOF, the undersigned director, hereby executes these Amended Articles of Incorporation this 1st day of October 2008
