Good Afternoon,

We apologize for the delay in our reply.

The Division of Corporations of the Dept. of State acts as a ministerial filing office only. We have no authority to investigate individual claims against corporations nor can we regulate the affairs of private corporations. We have neither the staff nor the expertise or knowledge to regulate over 1.6 million active business entities in Florida. Documents filed with our office are accepted at face value and filed if they meet statutory filing requirements. If false information is contained in the document, it is up to the party "harmed" to correct the error or bring action against the business entity or individual through the courts. Section 817.155 Florida Statutes, which states that it is a third-degree felony to sign a document he or she knows is false in any material respect. If you point out the seriousness of this matter hopefully they will resolve it quickly.

Subject: FALSE ELECTRONIC SIGNATURE

TO WHOM IT MAY CONCERN:

Please note that someone falsely signed an electronic signature of my name to a corporation that I do not work for.
Po8000093357 H & P Capital.
04/13/2013

I resigned as treasurer (Tammy Williams_maiden name Mackey) of this company back in October 29, 2010. The company has been closed since March 2013. Someone has gone in on April 13th 2013, and added me back as the treasurer. They also incorrectly spelled my maiden name. For the record, I want to report that I do not work for the company nor have I filled out ANY paper work, much less done any electronic signatures. Please see whose credit card made this purchase and contact them directly as to why they have fraudulently put me on their corporate papers.

Thank You,
Tammy
