Re: Florida Center for Neurology, Inc. and Florida Center for Neuroscience, Inc.

Dear Ms. Dickey:

Pursuant to our phone conversation this morning, I have enclosed the original Articles of Incorporation for the Florida Center for Neuroscience, Inc. which was returned to my office along with the October 7, 2008 cover letter from the Division of Corporations (also enclosed).

The Florida Center for Neurology's Sunbiz.org page contains documents (in PDF form) that indicate that the Center for Neurology's filing was denied. This conflicts with the Center for Neurology's designation as an active corporation on Sunbiz.org. I have attached a printout of the PDF documents for the Center for Neurology from Sunbiz.org. Please note that the Articles of Incorporation for both the Florida Center for Neuroscience, Inc. and the Florida Center for Neurology were signed by the Registered Agent when they were originally submitted to the Division of Corporations.

I sincerely appreciate your taking the time to assist me in reconciling this matter. Please let me know if you require additional documentation, and feel free to contact me should you have any questions or comments.

Sincerely,

Adam S. Rubenfield, Esq.
