To the extent that the Board Of Directors deems it in the best interests of this Corporation not to declare a dividend, such inaction shall result in a cumulative obligation on the part of this Corporation to pay said dividend. No dividends may be paid on any Class of Common Stock while there is an outstanding dividend obligation on the **8 % Convertible Preferred Stock (Par Value \$1)** shares.

The **8 % Convertible Preferred Stock (Par Value \$1)** shares are entitled to receive preferential liquidation consideration equal to the par value of \$1.00 (One Dollar) plus any dividends that are in arrears or that should have been declared and/or paid, in any proceeding to liquidate this Corporation and are entitled to this liquidating value before any other Class of Preferred Stock and before any Class of Common Stock.

To the extent that the Board Of Directors deems it in the best interests of this Corporation not to declare a dividend, such inaction shall result in a cumulative obligation on the part of this Corporation to pay said dividend. No dividends may be paid on any Class of Common Stock while there is an outstanding dividend obligation on any series of the **Serial Preferred Stock (Par Value \$10)** shares or on the **8 % Convertible Preferred Stock (Par Value \$1)** shares.
