Re: CO-ART DESIGN, INC.
Distinguishable Corporate Name

000137729670

Diane,

Pursuant to our conversation, my client and I feel that the proposed name of his Corporation is individual and distinguishable enough to be viewed as a viable business entity in the State of Florida.

Further, my client was already charged to filing fee, and has purchased a Corporate Kit consisting of an Official Corporate Seal and Stock Certificates. If a name change were to be necessary, my client would loose the funds expended to have the above mentioned Corporate Kit made.

Thank you for your ongoing cooperation in the above referenced matter. Please direct any further correspondence to my client:

JARED M. STEVENS
3300 Atlants St. #15-E
Hollywood, FL. 33021

Please contact my client, via e-mail or otherwise, to ensure him that the Corporation has been filed accordingly. Thanks again.

Very truly yours,
SPRECHMAN & ASSOCIATES, P.A.
