We have received your document for HEALTH OUTREACH AFRICA, INC. and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

An effective date may be added to the Articles of Incorporation if a 2009 date is needed, otherwise the date of receipt will be the file date. A separate article must be added to the Articles of Incorporation for the effective date.

If you have any further questions concerning your document, please call (850) 245-6062.
