We have received your document for TOWSTOR MASTER SYSTEMS, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The document is illegible and not acceptable for imaging. We ask that you type or carefully print the information in the appropriate blocks.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from, the name of an administratively dissolved/revoked entity. Names of administratively dissolved/revoked entities are not available for one year from the date of administrative dissolution/revocation unless the dissolved/revoked entity provides the Department of State with an affidavit or letter stating that they have no intention of reinstating, therefore, releasing the name for use to another entity.

**Adding "of Florida" or "Florida" to the end of a name is not acceptable.**

Florida law requires the street address of the principal office and, if different the mailing address of the entity. A post office box is not acceptable for the principal office.

The document must state the number of shares of authorized stock. The consultation of a legal counsel is always recommended if uncertain of the appropriate number of shares to authorize.

An effective date may be added to the Articles of Incorporation if a 2009 date is needed, otherwise the date of receipt will be the file date. A separate article must be added to the Articles of Incorporation for the effective date.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
