Sensitivity: Confidential

Hello Erin,

I apologize for the confusion and inconvenience this has caused you. Here is our explanation; we currently operate our Medical Practice out of 935 INTRACOASTAL DR, FORT LAUDERDALE, FLORIDA 33304. Our building is a single story, free standing detached building total size is under 5000 SQFT which consists of 2 units only. We just leased the 2nd unit which has its own address of 918 NE 26 AVE, FORT LAUDERDALE FLORIDA 33304. The reason the addresses are a little different is because one unit faces north and the other unit faces west. When we originally sent our request to you and the change was made on June 28, 2010 we were not aware of the fact that the Landlord gave us the wrong address. The Landlord is actually a Real Estate Firm contracted by SunTrust Bank. We were informed after the request was sent to you. That is why on the Fax Cover Sheet I wrote: I apologize for any inconvenience. Unfortunately, when I went the DOC to verify if the correct addresses was reflecting last week I was like, AHHH, OHHH, NO! I panicked; The State of Florida Department of Health & Division of Medical Quality Assurance has very stringent guidelines. Again Erin, I apologize for any inconvenience we have caused you. Please see below how we need the Business address read.

Al Marchena
