BYLAWS

ARTICLE I - Name

The name of the corporation is **Cherokee Rose Environmental Services**, as on file with the Florida Department of State, Division of Corporations.

ARTICLE II - Purpose

The purpose of this Corporation is to acquire, administer, and perform contracts with local, state, and federal agencies, and contractors to those agencies, for professional and field services relating to environmental components of development and construction projects. These services include: identification, delineation, mapping, and assessment of environmental features, including wetlands, critical habitat, listed species and other protected environmental resources; assessment and minimization of potential impacts from development activities; planning and implementation of mitigation strategies; local, State, and Federal environmental permitting; preparation of NPDES pollution prevention plans; compliance inspections and monitoring during construction; preparation of PD&E environmental assessments, Wetland Evaluation Reports, Endangered Species Biological Assessment Reports, and other documents related to environmental features; communication with regulatory authorities; and addressing any other environmental issues arising in road, highway, bridge, and other infrastructure improvement projects.

ARTICLE III - Officer and Director

The initial Director and President of this corporation is:

Trudie D. Bell 9520 Star View Lane Tallahassee, Florida 32309

The President/Director shall perform all management and supervisory functions of the corporation. She shall also make day-to-day and long-term decisions on matters of management, policy, and operations.

The President/Director has the authority to contract for office management services such as bookkeeping, filing, reporting, and other business functions not directly related to the environmental services performed by the company to outside

professionals such as accountants, lawyers, and payroll services.

ARTICLE IV - Compensation and Risk

The income of the corporation shall inure to the owner of the corporation, Trudie D. Bell, as provided by law. The Director shall not be personally liable for monetary damages to the corporation or any other person for any statement or act regarding corporate management except as provided by section 607.0831, Florida Statutes. The Director shall discharge her duties in good faith, with ordinary care, and in a manner she reasonably believes to be in the best interests of the corporation. The owner shall be responsible for payment of the expenses of the corporation, including start-up costs, office equipment, office supplies, mileage incurred on corporation business, and any other cost of administration of the business.

ARTICLE V - Amendment of Bylaws

These bylaws may be amended or repealed by the Director.

ARTICLE VI - Dissolution

The corporation may be dissolved by the Director and shareholder as provided by Chapter 607, Florida Statutes.

THESE BYLAWS were adopted on 30 Occ. 2008 at the organizational meeting called by the incorporator and meeting shall become effective immediately.

TRUDIE D. BELL Incorporator, Director, and President
