Good morning,

I wish to update our address. I have attached a W-9 form which contains all correct information. I have not included the PO box and am unsure if it is necessary to do so. Please let me know if we should show the new office address as the legal address with the PO box listed below. In addition, I believe I still need to fill out the form online and send payment for making this change...please confirm I am correct. Thank you for your help.
