August 12, 2010

To whom it may concern,

On this 12th day of August 2010 I am sending you my resignation from JK Marketing Solutions Inc. as Manager. I have not worked for this company in over 1 year, and have no affiliation with this company since. I have never had any account access to this companies accounts. I have recently heard that my name was still attached to this company and there is fraudulent activity being done. This is why I am sending this attached letter with my resignation and would like it noted. To my knowledge this company was no longer in business and I didn't know I had to resign by sending this information; if I had known this I would have done it a year ago.
