Hi,

I got married on April 24th and when I filled out my annual report I listed my new married name. I have not received my marriage license back from the state of Florida so I can not change my drivers license and other info. I am applying for a small business loan and my name must appear as it does on my drivers license. Can you please change my name back to my maiden name of Kosciusko instead of McClary?

The person hasn't changed, only the name. Again, please change my name under the officer detail. Please change it back from Kristen McClary to Kristen Kosciusko.

Thank you sooooo much!
